		SUBJECT: Outfitted Upland Game Hunting	Adopted: April 2005 Revised: Reformatted:

1.00.00 POLICY OF THE AGENCY

The Board's policy does not allow the licensing of outfitted upland game (pheasants and quail) hunting on public lands or on private land with the exception of private shooting preserves administered by the Idaho Department of Fish and Game. Outfitted chukar hunting is limited to boating outfitters and land-based outfitters operating in remote backcountry locations and grouse hunting is associated with big game outfitters.
